ORDER

19-CV-7465 (AT)(KNF)

In a letter dated July 15, 2020, counsel to the plaintiff requests that the Court release the parties from the obligation of conducting the inventory at 450 Riverside Drive, New York, New York, which the assigned district judge has repeatedly ordered the parties to undertake with the assistance of an inventory vendor. In essence, the plaintiff is requesting that the Court countermand the inventory orders of the assigned district judge. The Court lacks the authority to countermand the inventory orders issued by the assigned district judge. Therefore, the plaintiff's request is denied without prejudice. The plaintiff must apply to the assigned district judge for the relief it seeks through the July 15, 2020 letter.
